

NBBCTC Delegates - the Executive Board met yesterday to make additional endorsements and donations regarding upcoming Political Races and Ballot Measures. We are requesting that you ratify the endorsements by voting **YES**.

WE NEED YOU TO VOTE TODAY, JANUARY 12, 2024 BY 4PM!

Any delegate may raise an objection (s) to any of our recommendations. Objections will be held over for discussion at our regular January 23rd Meeting.

We are polling via email because some of our affiliates asked that we expedite the NBBCTC endorsements prior to our January 23rd meeting so that they can include our political endorsement information in their newsletters going to print in the next few days.

For your information, the following SOCO Candidates have been previously endorsed by the NBBCTC council. We are recommending your approval of additional donations.
